

## Weekly call with long-term care professionals to discuss COVID-19

We host a weekly call with long-term care professionals to discuss COVID-19 response, infection prevention, emergency preparedness, and other related topics. Time will be reserved at the end for Q&A. If you have multiple participants from the same facility, please try to log-in or call from a single line (while practicing social distancing).

**Due to the growing number of participants, this week's and future events will be hosted using WebEx Events 3000. We strongly encourage all who are able to use the WebEx online platform. A dial-in option will be available for those unable to access a computer or who experience web issues, but the number of lines is limited. The phone line will not be moderated, and all Q&A will go through the WebEx chat box.**

### Participant Information

Every Wednesday until further notice  
3:30 p.m. Central Daylight Time
