

LIVABLE COMMUNITIES RESOURCES

AARP Livable Communities supports the efforts of neighborhoods, towns, cities and rural areas to be great places for people of all ages. We believe that communities should provide safe, walkable streets; age-friendly housing and transportation options; access to needed services; and opportunities for residents of all ages to participate in community life.

AARP Livable Communities Website

AARP Livable Communities' award-winning website is the entryway to AARP's suite of livability content and materials, including publications, articles, photo albums and all sorts of inspiring ideas and best practices information for local leaders and livability advocates.

Visit: [AARP.org/Livable](https://www.aarp.org/Livable)

AARP Livable Communities e-Newsletter

Created for community "influencers" — elected officials, local leaders, advocates, municipal staff, placemaking professionals and interested residents — our free weekly newsletter is filled with information about livability and age-friendly efforts.

AARP Network of Age-Friendly States and Communities

The age-friendly network serves as a catalyst to educate local leaders (both elected officials and engaged residents) and encourage them to implement the types of changes that make communities more livable for older adults and people of all age.

AARP Community Challenge

This annual grant program helps communities become more livable by providing funds for quick-action projects that make immediate, tangible improvements and jump-start long-term change. *(Subscribe to our newsletter to be among the first to know when the next application window opens.)*

AARP Livability Index

As an interactive online tool, the AARP Livability Index scores neighborhoods and communities across the U.S. based on the available services and amenities in seven broad categories of community livability: housing, neighborhood, transportation, environment, health, engagement, and opportunity.
